BOARD OF DIRECTORS ELECTIONS

Here's your chance to serve!

There are two Board of Directors' seats up for election this year, for a full three (3) year term.

If you are interested in running for this seat, please provide the Board your resume and notice to run by **January 18, 2019 at 4:30 pm**. Proxies will be mailed with bill in February 2019.

Notice and resumes can be dropped off or mailed at the main office at 9080 County Road 64, Daphne, AL 36526.

You can monitor your water usage from your personal computer or device! Please visit our website and click on "Monitor My Water Usage"

New Customers can now sign up for service and pay their deposit on our website! Please visit our website and click on "Apply for New Service" on the Belforest Water System homepage.

Moving? Fill out your service termination online! Please visit our website and click on "Service Termination" on the Belforest Water System homepage.

MESSAGE FROM THE PRESIDENT

Charles Dube

Here we "grow" again!

This year has seen such tremendous growth in the Belforest Water System service area! *We are proud and honored to announce that we have been awarded \$2.3 million dollars for service area wide improvements from the United States Rural Development (USDA).*

These projects will be used to upgrade current infrastructure to keep our system in the best shape possible. You will see these funds be used throughout the next eighteen to twenty four months.

We have been proud to partner with the City of Daphne and the Industrial Development Board to provide water to the new Daphne Innovation and Science Center on Champions Way; smoothing the way for more high paying jobs in the Daphne/Belforest area. We also commend our Operations Staff with adding new service lines on Peturis Road to allow for additional homes to receive Belforest Water. Additionally, in an effort to preserve our environment, a new water main was run under the Fish River on County Road 54.

As always, your Belforest Water Board of Directors and staff would like to thank you for your ongoing support in our leadership. We work diligently to provide "pure-abundant-water".

Happy New Year!

BELFOREST SCHOLARSHIP PROGRAM

Belforest Water System is offering five (5) \$1,000 scholarships for 2019 graduates in the Belforest Water Area. Granted only to High School Seniors, the student must attend a four year college/university, community college, and/or technical/vocational/trade school.

To apply for this scholarship, please download a scholarship application packet from www.belforestwater.com and submit to the Central Office at 9080 County Road 64, Daphne, AL.

Deadline: January 25, 2019 at 4:30 pm. Applications must be in office by this deadline.
